**JANUARY 5TH
@ 7:00 PM**

**7519 GRANDVIEW
AVE, ARVADA, CO**

\$25.00 DONATION

Learn Salsa and help save lives.....

- 7,000+ children die nationwide each year from sudden cardiac arrest while playing sports
- Survival rates can jump from less than 5% to nearly 70% with availability of a Automated External Defibrillator

Kick Start My Heart is a charitable foundation created by a group of Boulder, CO soccer enthusiasts to raise funds and provide Automated External Defibrillators (AEDs), emergency training and cardiovascular wellness education at local schools and sports facilities, specifically to benefit in the event of traumatic heart conditions.
