## **Ways You Can Contribute To Kick Start My Heart**

### **Register a team**

Get a team together to play in our soccer fund raiser, Saturday, September 19, 2009. We request that each donate a minimum of \$400 to participate, with any or all of that coming from sponsorship. With 10 players on your team, that is only \$40 per player to contribute to this exciting event – and save lives in the local community by placing AEDs in local schools and sports groups. Get online today at [www.kickstartmyheart.org](http://www.kickstartmyheart.org) to register your team!

### **Come to the soccer fund raiser and play as an individual**

You don't need a team – we can get you on the pitch! Just email us at [ksmhreg@kickstartmyheart.org](mailto:ksmhreg@kickstartmyheart.org) and we'll hook you up with a team!

### **Raise sponsorship from your own participation**

Have friends and family sponsor you directly for your game time, the number of goals you save/score, the number of soccer ball touches you get in the game or simply ask 40 of your closest friends for \$1 each!!

### **Find a sponsor who can contribute money**

We have raised over \$88,500 in donations for this great cause during our first four years. Do you know of a company or a philanthropist who would be excited to contribute to this worthy effort? We have a waiting list of AEDs to place!

### **Donate merchandise or a gift-in-kind to the Silent Auction**

Your business can help by contributing a product or a service to our Silent Auction or Grand Prize Drawing at the soccer fund raiser on event day itself.

### **Find someone to sponsor an AED for a school or soccer facility (approx. \$2,000 contribution)**

This guarantees that the person sponsoring the effort gets a very personal reward for contributing a powerful and life saving gift to the community.

### **Volunteer to help run the event**

The event is quite an undertaking for our team! Are you able to help us by volunteering your time at the event?

### **Buy merchandise**

Buy and/or sell awesome-looking T-shirts in red or white (the heart colors!), plus Kick Start My Heart rubber wristbands in eye catching red!
